

Golden Mike® Awards

America's Longest Running Broadcast News Award™

Sponsorship Opportunities 2025

The Golden Mike® Awards is the nation's longest running broadcast news award

On March 29th, 2025, the Radio & Television News Association of Southern California will produce its 75th annual ceremony at the Loews Hotel in the heart of Hollywood.

THE GOLDEN MIKE[®] AWARDS

The Golden Mike[®] Awards Ceremony honors excellence in broadcast news

More than 350 news professionals – *reporters, videographers, editors, writers, producers, managers, and executives* – will honor individual and group achievements. This is the only event in Southern California where major broadcast news influencers and decision makers are gathered in the same room.

Sponsorship is a great opportunity to showcase your business, promote your brand, network, and meet those who decide what's included in tomorrow's news.

The Golden Mike® Awards History

In 1950, the Korean War began; the Peanuts comic strip was first published; Albert Einstein warns of nuclear war devastation; Network TV News was only 2 years old; TV News in Los Angeles had just started; LA Radio was still the preferred broadcast medium; James Dean got his first break in a Pepsi-Cola TV commercial, and the RTNA handed out its first Golden Mike® trophies
